is in the best interests of the company actually makes an individual division's performance look worse The transfer pricing system in place needs to take into account the behavioural impact of the prices being charged Sometimes, this can mean that a 'dual transfer pricing system' needs to be introduced in order to ensure that divisional

U D Y PAPER F2 T E T - WordPress.com

This paper introduces you to costing and management accounting techniques, including those techniques that are used to make and support decisions It provides a basis for Paper F5 - Performance Management The examiner for this paper is David Forster who was previously the examiner for Paper 12 under the previous syllabus

VALUATION OF EQUITY AND DEBT

The paper is materially based on part of the previous paper 24 FMC but with additional material from papers 12 and 33 It covers the management accounting topics from the first paper but drops financial management topics To balance against that it now incorporates new topics on performance appraisal and more business maths
