Major Motion Picture Already in Development with Temple Hill Entertainment Set amidst the breathtaking beauty of Oxford, this sparkling debut novel tells the unforgettable story about a determined young woman eager to make her mark in the world and the handsome man who introduces her to an incredible love that will irrevocably alter her future—perfect for fans of Jojo Moyes and Nicholas Sparks. American Ella Durran has had the same plan for her life since she was thirteen: Study at Oxford. At 24, she's finally made it to England on a Rhodes Scholarship when she's offered an unbelievable position in a rising political star's presidential campaign. With the promise that she'll work remotely and return to DC at the end of her Oxford year, she's free to enjoy her Once in a Lifetime Experience. That is, until a smart-mouthed local who is too quick with his tongue and his car ruins her shirt and her first day. When Ella discovers that her English literature course will be taught by none other than that same local, Jamie Davenport, she thinks for the first time that Oxford might not be all she's envisioned. But a late-night drink reveals a connection she wasn't anticipating finding and what begins as a casual fling soon develops into something much more when Ella learns Jamie has a life-changing secret. Immediately, Ella is faced with a seemingly impossible decision: turn her back on the man she's falling in love with to follow her political dreams or be there for him during a trial neither are truly prepared for. As the end of her year in Oxford rapidly approaches, Ella must decide if the dreams she's always wanted are the same ones she's now yearning for.

Mysterious (místie · ries), a. [f. L. *mystérium* Mystery + ous. Cf. F. *mystérieux*.] 1. Full of or fraught with mystery; wrapt in mystery; hidden from human knowledge or understanding; impossible or difficult to explain, solve, or discover; of obscure origin, nature, or purpose. It is known as one of the greatest literary achievements in the history of English letters. The creation of the Oxford English Dictionary began in 1857, took seventy years to complete, drew from tens of thousands of brilliant minds, and organized the sprawling language into 414,825 precise definitions. But hidden within the rituals of its creation is a fascinating and mysterious story—a story of two remarkable men whose strange twenty-year relationship lies at the core of this historic undertaking. Professor James Murray, an astonishingly learned former schoolmaster and bank clerk, was the distinguished editor of the OED project. Dr. William Chester Minor, an American surgeon from New Haven, Connecticut, who had served in the Civil War, was one of thousands of contributors who submitted illustrative quotations of words to be used in the dictionary. But Minor was no ordinary contributor. He was remarkably prolific, sending thousands of neat, handwritten quotations from his home in the small village of Crowthorne, fifty miles from Oxford. On numerous occasions Murray invited Minor to visit

Oxford and celebrate his work, but Murray's offer was regularly—and mysteriously—refused. Thus the two men, for two decades, maintained a close relationship only through correspondence. Finally, in 1896, after Minor had sent nearly ten thousand definitions to the dictionary but had still never traveled from his home, a puzzled Murray set out to visit him. It was then that Murray finally learned the truth about Minor—that, in addition to being a masterful wordsmith, Minor was also a murderer, clinically insane—and locked up in Broadmoor, England's harshest asylum for criminal lunatics. The Professor and the Madman is an extraordinary tale of madness and genius, and the incredible obsessions of two men at the heart of the Oxford English Dictionary and literary history. With riveting insight and detail, Simon Winchester crafts a fascinating glimpse into one man's tortured mind and his contribution to another man's magnificent dictionary.

The Oxford Book of English Detective Stories Standard Ebooks

Death has long been a pre-occupation of philosophers, and this is especially so today. The Oxford Handbook of Philosophy of Death collects 21 newly commissioned essays that cover current philosophical thinking of death-related topics across the entire range of the discipline. These include metaphysical topics—such as the nature of death, the possibility of an afterlife, the nature of persons, and how our thinking about time affects what we think about death—as well as axiological topics, such as whether death is bad for its victim, what makes it bad to die, what attitude it is fitting to take towards death, the possibility of posthumous harm, and the desirability of immortality. The contributors also explore the views of ancient philosophers such as Aristotle, Plato and Epicurus on topics related to the philosophy of death, and questions in normative ethics, such as what makes killing wrong when it is wrong, and whether it is wrong to kill fetuses, non-human animals, combatants in war, and convicted murderers. With chapters written by a wide range of experts in metaphysics, ethics, and conceptual analysis, and designed to give the reader a comprehensive view of recent developments in the philosophical study of death, this Handbook will appeal to a broad audience in philosophy, particularly in ethics and metaphysics.

The Oxford Handbook of Edgar Allen Poe Oxford University Press

In *The New Oxford Book of Literary Anecdotes*, master anthologist John Gross brings together a delectable smorgasbord of literary tales, offering striking new insight into some of the most important writers in history. Many of the anecdotes here are funny, others are touching, outrageous, sinister, inspiring, or downright weird. They show writers from Chaucer to Bob Dylan acting both unpredictably and deeply in character. The range is wide—this is a book which finds room for Milton and Shakespeare, Mark Twain and Walt Whitman, Kurt Vonnegut and P. G. Wodehouse, Chinua Achebe and Salman Rushdie, James Baldwin and Tom Wolfe. It is also a book in which you can find out which great historian's face was once mistaken for a baby's bottom, which film star experienced a haunting encounter with Virginia Woolf not long before her death, and what Agatha Christie really thought of her popular character Hercule Poirot. It is in short an unrivalled collection of literary gossip offering intimate glimpses into the lives of authors ranging from Shakespeare to Philip Roth—a book not just for lovers of literature, but for anyone with a taste for the curiosities of human nature.

The Canadian Oxford Dictionary OUP Oxford

The inescapable reality of death has given rise to much of literature's most profound and moving work. D. J. Enright's wonderfully eclectic selection presents the words of poet and novelist, scientist and philosopher, mystic and sceptic. And alongside these 'professional' writers, he allows the voices of ordinary people to be heard; for this is a subject on which there are no real experts and wisdom lies in many unexpected places.

The Oxford Companion to Food Satin

Essential reading for all armchair detectives, this collection of 33 classic whodunits is the cream of crime writing.

Oxford Bookworms Library: Stage 4: Death of an Englishman Oxford University Press, USA

At a grand party to celebrate completion of the first edition of the Dictionary the Prime Minister of the day called the achievement 'the greatest enterprise of its kind in history'. The Times greeted the second edition as 'The greatest work in dictionary making ever undertaken'. And The New York Times topped that with 'The gigantic total picture of the English language...an epic achievement.' Wow! So what's the story? How did it start? What preceded it? Who did the work? Why did it take so long? How did Oxford get involved? And why is the work never finished? This concise history will give you answers to those questions and more in an account which naturally focuses on Oxford, home to the Dictionary for 130 years. Written in the centenary year of the death of its most famous editor, this book celebrates the man whose name is, above all others, synonymous with the creation of the Oxford English Dictionary: James Murray.

Mortality and Identity in English Renaissance Tragedy OUP Oxford

When a prominent doctor in Oxford is murdered, two detectives must determine who is the killer.

The New Oxford Book of Literary Anecdotes Ernst Klett Sprachen

Max Beerbohm earned his fame as a caricaturist and essayist, and Zuleika Dobson is his only novel. Despite that, Zuleika has earned no small measure of fame, with the Modern Library ranking it 59th in its "100 Best English-Language Novels of the 20th Century." Beerbohm's essays were famous for their sharp wit and humor, and Zuleika follows in that tradition—Beerbohm himself called the novel "the work of a leisurely essayist amusing himself with a narrative idea." The novel follows Zuleika Dobson, a rather talentless woman of middling looks who nonetheless holds an almost mystical power of attraction over the men she comes in contact with. When she begins attending Oxford, she catches the eye of not just the Duke of Dorset, but of the entire male class. Zuleika is both an easy comedy and a biting satire of Edwardian social mores and of the male-dominated Oxford student culture. Beerbohm also seems to forecast with eerie accuracy the cultural obsession with talentless celebrity that came to dominate the turn of the 21st century. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

A Novel Cambridge University Press

The great story motifs of romance were transmitted directly from the Middle Ages to the age of print in an abundance of editions. Spenser and Shakespeare assumed a familiarity with them and therefore exploited it, with new texts aimed at both elite and popular audiences

Oxford English Prize Poems Oxford Bookworms Library: Stage 4: Death of an Englishman

A stylish 1930's mystery set in Oxford with a love triangle, a murder, and a cast of eccentric suspects. Fans of Lord Peter Wimsey and Harriet Vane will love this tale! "Vandagriff's atmospheric are first rate. She amazes me."--Anna Stone. After Miss Catherine Tregowyn, poet, and Dr. Harry Bascombe, her bête noire, discover a body in the Somerville College chapel, they are declared suspects in a murder inquiry. How can they prove their innocence? The pair decide they must launch their own investigation into the strangling of Oxford don, Agatha Chenowith. But working as a team will not be easy. Their relations are anything but cordial. It is not long before they uncover motives aplenty. Apparently, Dr. Chenowith was not at all what she seemed. As she surprises about the victim's secret life multiply, they are awash in a sea of suspects. Into this scenario sails the former love of Catherine's life as he returns from Kenya. Is she going to give Rafe another chance to break her heart? He convinces her to give him a six-month trial, and eager to show his worth, he joins in the investigation. Rafe offers to fly Catherine and Harry in his de Havilland six-seater to the Isle of Man where they must pursue a lead. Inevitably, Rafe and Harry square off in a battle for Catherine's affections. Meanwhile, playing detectives proves to be a dangerous pursuit. Catherine and Harry shortly embroil themselves in a plot much larger than mere murder. No one wants to hear their theory, however. It contains truths too painful to contemplate. And it makes Catherine and Harry's lives expendable.

An Oxford Murder Cambridge University Press

We all use Canadian English every day: when we order a pizza "all-dressed", hope to get a "seat-sale" to go south during "March break", or "book off" work to meet with a "CGA" to discuss "RRSPs". Language embodies our nation's identity, and The Canadian Oxford Dictionary, in its 1,728 pages, covers all aspects of Canadian life. Never before have Canadians been able to see their language, and themselves, so accurately and comprehensively described in a dictionary. The loggers of the west coast, the wheat farmers of the Prairies, the fishermen of the Atlantic provinces, the trappers of the North; Canada's Aboriginal peoples, its British and French settlers, and the more recent arrivals, whether they came from Ukraine, Italy, South Asia or elsewhere - all have contributed to making Canadian English unique, and the dictionary thus reflects the great sweep of Canadian life. It contains over 2,000 distinctly Canadian words and meanings, more than any other Canadian dictionary, covering every region of the country. Whether you call your favorite doughnut a jambuster, a bismark, a Burlington bun, or the more prosaic jelly doughnut may depend on where you live in Canada, but they will all be found in The Canadian Oxford Dictionary. Of course, this is not just a dictionary of Canadian words: its 130,000 entries combine in one reference book information on English as it is used worldwide and as it is used particularly in Canada. Definitions, worded for ease of comprehension, are presented so the meaning most familiar to Canadians appears first and foremost. Each of these entries is exceptionally reliable, the result of thorough research into the language and Oxford's unparalleled language resources. Five professionally trained lexicographers spent five years examining databases containing over 20 million words of Canadian text from more than 8,000 Canadian sources of an astonishing diversity. Inuit Art Quarterly, The Fiddlehead, Canadian Business, and Equinox; the work of writers such as Jack Hodgins, Sandra Birdsell, David Adams Richards, and Pierre Berton; daily and weekly newspapers from across the country; and, of course, the Canadian Tire catalogue - all find a place in the evidence of The Canadian Oxford

Dictionary. The lexicographers also examined an additional 20 million words of international English sources. For many Canadians one of the more puzzling aspects of writing is trying to determine whether to use the American spelling or the British spelling. Should it be "colour" or "color", "theater" or "theatre", "programme" or "program"? By examining our extensive Canadian databases, our lexicographers have been able to determine which, in fact, is the more common spelling: colour, theatre and program. Favoured Canadian pronunciations have also been determined by surveying a nationwide group of respondents. Oxford's thorough research has also ensured that new words that have recently appeared are well-represented. So if you're someone who puts on your "bicycle shorts" and "blades" over to the gym to do some "crunches" for your "abs" followed by work on your "lats", "pecs" and "delts", finishing up with a "step" class, because you're afraid that being a "chocoholic" who loves "comfort food" will affect your "body mass index" and you want to avoid "yo-yo dieting", you'll find all these common words in The Canadian Oxford Dictionary. An added feature of this dictionary is its encyclopedic element. It includes short biographies of over 800 Canadians, ranging from Elvis Stojko, Celine Dion and Jean Beliveau to Nellie McClung, Lester B. Pearson, and Kim Campbell. It also contains entries on 5,000 individuals and mythical figures of international significance, and almost 6,000 place names, more than 1,200 of them Canadian. Indeed, all Canadian towns with a population of 5,000 or more are featured, and their entries not only explain the origin of the place name, but also include the population based on the 1996 census. With the publication of The Canadian Oxford Dictionary, Oxford University Press adds another work to its highly respected range of dictionaries, and Canadians finally have a dictionary that truly reflects their nations.

A Death in Oxford Landmark Media

No American author of the early 19th century enjoys a larger international audience than Edgar Allan Poe. Widely translated, read, and studied, he occupies an iconic place in global culture. Such acclaim would have gratified Poe, who deliberately wrote for "the world at large" and mocked the provincialism of strictly nationalistic themes. Partly for this reason, early literary historians cast Poe as an outsider, regarding his dark fantasies as extraneous to American life and experience. Only in the 20th century did Poe finally gain a prominent place in the national canon. Changing critical approaches have deepened our understanding of Poe's complexity and revealed an author who defies easy classification. New models of interpretation have excited fresh debates about his essential genius, his subversive imagination, his cultural insight, and his ultimate impact, urging an expansive reconsideration of his literary achievement. Edited by leading experts J. Gerald Kennedy and Scott Peeples, this volume presents a sweeping reexamination of Poe's work. Forty-five distinguished scholars address Poe's troubled life and checkered career as a "magazinish," his poetry and prose, and his reviews, essays, opinions, and marginalia. The chapters provide fresh insights into Poe's lasting impact on subsequent literature, music, art, comics, and film and illuminate his radical conception of the universe, science, and the human mind. Wide-ranging and thought-provoking, this Handbook reveals a thoroughly modern Poe, whose timeless fables of peril and loss will continue to attract new generations of readers and scholars.

The English Romance in Time Oxford University Press, USA

Emily Bronte was an English novelist & poet, who is best known for her only novel, "Wuthering

Heights: She has written poems also such as - 'Poems by Currer, Ellis and Action Bell', 'A Death Scene', 'To a Wreath of Snow, and lots Many. 'Wuthering Heights' is a highly imaginative work of passion and hate. Author was interested in mysticism and used to enjoy her solitude outdoors. This novel consists of those elements. It is now considered a classic of English literature. It was published under the pseudonym - "Ellis Bell" The story is full of high creativity and very imaginative. It narrates revenge also. It revolves around the main character, Heathcliff. Wuthering Heights is his farmhouse. Heathcliff is a young orphan, who was brought by Earnshaw at Wuthering Heights, 30 years ago. Earnshaw loves him (Heathcliff) so much, even neglects his own children. After death of Earnshaw, his elder son Hindley becomes the new master of Wuthering Heights and he allows Heathcliff to stay there only as a servant. Catherine is in love with Heathcliff, but doesn't show due to her social status. The story thus seems very interesting and it ends with sights of the ghosts of Catherine and Heathcliff. It consists of many ups and downs Readers will Surely going to enjoy the novel. It's Heartthrobing and it's very difficult to get up without reading the novel - fully.

Tragedies: in English Prose Oxford University Press on Demand

The field of detective fiction is vast, and The Oxford Book of Detective Stories brings together the best short fiction from around the world to show how different nationalities have imposed their own stamp on the genre. As well as English and American stories from acknowledged masters such as Ellery Queen, Dashiell Hammett, and Agatha Christie, the anthology includes stories by Simenon, Conan Doyle, Sarah Paretsky, and Ian Rankin, and roams across Europe and further afield to embrace Japan, Denmark, Holland, Italy, Argentina, Czechoslovakia, and other countries. Women detectives, police procedurals, the amateur sleuth, locked-room mysteries are all here, and in her introduction Patricia Craig examines the figure of the detective in international literature.

The Life and Death of Ancient Cities Oxford University

When Dr. Leighton is murdered, Inspector Frank Williams and Sergeant Kate Miller set out to track down her killer. Was it her husband, her son or her colleague? All had reasons to hate her, but which one killed her?

Wuthering Heights Harper Collins

Little Oxford Dictionary of Proverbs features over 2,000 proverbs and sayings from around the world, arranged across 250 subjects - from 'Books' and 'Borrowing' to 'Dreams' and 'Drink'. Each theme has a short introduction giving an overview of the proverbial treatment of the topic and each proverb is accompanied by information on its date, source, and meaning. Not only is this book a pleasure to browse but it is ideal for quick reference with its comprehensive index that makes it easy to find the exact phrase you're looking for. Beautifully produced and designed, it is the perfect gift for anyone who loves language. Drawing on Oxford's ongoing dictionary research and language monitoring, the second edition of this delightful book adds phrases that have come to prominence, or increased in popularity, since publication of the first edition, such as 'Never waste a good crisis' and 'Dress for the job you want, not for the job you have', which add a contemporary flavour to the selection of more traditional English proverbs, and the popular sayings used in the English-speaking world from Asia, Africa, Middle East, and many other cultures. Find phrases on all aspects of life in this fascinating little book.

A Natural History Oxford University Press

"Under internal investigation for corruption, Oxfordshire DI Hillary Greene is fighting to save her career. When a body is found in the canal, she knows she's only been given the case as it's a

straightforward matter of accidental death. But when her investigation points to murder, she realises this is much bigger than anyone expected. . . "
