The ultimate insider look at the filmmaking process of The Hobbit: An Unexpected Journey and The Hobbit: The Desolation of Smaug, a

Richly illustrated with behind-the-scenes photographs, digital renders, and film stills, this comprehensive book explores the costumes and props, including armour, weapons and jewelry, made for the first

two films. Chapters will be broken down by type and character: Dwarves, Wizards, Hobbits, Rivendell Elves, Mirkwood Elves and more. The book will lean heavily on beautiful studio and on-set photography of the finished pieces as well as film stills that provide context. stories around the finished items. Behind the scenes processes will be showcased with supporting photographs of elements being created. First-hand accounts from the actors, artists, digital effects specialists, and many other crew members describe the process and how the production unfolded, while also sharing insights into the characters.
